ISSN Number 0264-0325

CONTENTS FOR 1998

RESEARCH and ARTICLES

10 Taking the threat out of threatening questions
G Vinten, BA, BPhil, MA, MSc, PGCE, DPA, CPFA, FRSA, FRGS, FIIA, FinstD, HonMAPHA, FRSH, Deputy Dean, Southampton Business School, Southampton Institute, East Park Terrace, Southampton SO14 0YN

15 Secondary prevention of stroke – an update
C D Forbes, MD, DSc, FRCP, Department of Medicine, Ninewells Hospital and Medical School, Dundee DD1 9SY

18 Antiseptics: a forgotten weapon in the control of antibiotic resistant bacteria in hospital and community settings?
D N Payne, CBiol, MIBiol, Department of Microbiology; R Lewis, BSc, Department of Microbiology; S A W Gibson, BSc, PhD, Global Professional Relations; Reckitt & Colman Products Ltd, Dansom Lane, Hull HU8 7DS

23 The Food Standards Agency: a force for change
Allan Shaw, BSc(Hons), FRSH, School of Applied Science, South Bank University, 103 Borough Road, London SE1 0AA

28 Pharmacy involvement in emergency preparedness/response
S R Moore, FRSH, Office of the Surgeon General, United States Public Health Service, Rockville, MD 20857, USA

35 Lessons to be learned: a case study approach – Decreasing requirement for lithium carbonate therapy in bipolar affective disorder (hypomanic type) following the onset of chronic renal insufficiency
R Pandita-Gunawardena, MB, BS, DPM, FRCPsych, Consultant Psychiatrist, East Surrey Hospital, Redhill, Surrey and Horley Community Mental Health Team and Day Unit, Beechcroft, Horley, Surrey; D Donaldson, MB, ChB, MRCP, FRCPath, Consultant Chemical Pathologist, East Surrey Hospital, Redhill, Surrey and Crawley Hospital, Crawley, West Sussex

40 Changes in the numbers of dentists and dental caries levels in 12 year-olds in the countries of the European Union and economic area
K Eaton, BDS, MSc, LDS, MGDS, RCS, FRSH, Honorary Senior Research Fellow, Eastman Dental Institute, University College London (formerly Senior Dental Officer, Department of Health, Richmond House, 79 Whitehall, London SW1A 2NS); E Widstroem, DDS, PhD, Chief Medical Officer, National Research and Development Centre for Welfare and Health, Helsinki, Finland; E Renson, BDS, PhD, DDPH, LDS, RCS, FICD, Emeritus Professor of Dentistry, University of Hong Kong, Hong Kong

49 Community care: fracturing managerial frames
E Mathura, MA, PhD, FRSH, Health Studies Department, Brunel University, Lancaster House, Borough Road, Isleworth TW7 5DU

53 Bile acids, fibre and colon cancer: the story unfolds
M F Chaplin, PhD, CChem, FRSC, FIFST, Food Research Centre, South Bank University, 103 Borough Road, London SE1 0AA

76 Burden of illness review of obesity: are the true costs realised?
A-M McIntyre, MA, PhD, Health Economist, Roche Products Ltd, PO Box 8, Welwyn Garden City, Hertfordshire AL7 3AY

85 Health promotion, environmental health and Agenda 21
A Scriven, BA, MED, CertEd, Head of School of Health, Bath Spa University College, Newton Park, Bath BA2 9BN; S Young, BSc, DMS, Environmental Health Service Manager, Environmental Health Department, Trimbridge House, Trim Street, Bath BA1 2DP

91 Smoking, diabetes and hyperlipidaemia
D P Mikhailidis, MD, BSc, MSc, FRCPath, FRSH; J A Papadakis, MD, FRSH; E S Ganotakis, MD, FRSH; Department of Chemical Pathology and Human Metabolism, Royal Free Hospital School of Medicine, Pond Street, London NW3 2QG

94 Some peoples' psychological experiences of attending a sexual health clinic and having a sexually-transmitted infection
H S Holgate, RGN, MEd (Guidance and Counselling), Senior Health Advisor, The Wolverton Centre for Sexual Health, Kingston Hospital, Galsworthy Road, Kingston, Surrey KT2 7QB; C Longman, BA, MA, MRSH, Director of Academic and Professional Development, School of Education, Brunel University, 300 St Margaret's Road, Twickenham, Middlesex TW1 1PT

103 Lessons to be learned: a case study approach – Primary hyperparathyroidism simulating an acute severe polyneuritis
A Olukoga, MB, BS, FWACP, MRCPath, Senior Registrar in Chemical Pathology, Department of Clinical Biochemistry, Hope Hospital, Salford, Manchester

107 The growing influence of non-governmental organisations (NGOs) in international health: challenges and opportunities
C Akukwe, MD, MPH, FRSH, Vice-Chair of the National Council for International Health, PO Box 66621, Washington DC 20035-6621, USA

116 Historical perspectives on health – A historical approach to study of the function and dysfunction of the thyroid gland realised?
A Olukoga, MB, BS, FWACP, MRCPath, Senior Registrar in Chemical Pathology, Department of Clinical Biochemistry, Hope Hospital, Salford, Manchester; D Donaldson, MB, ChB, MRCP, FRCPath, Consultant Chemical Pathologist, East Surrey Hospital, Redhill, Surrey and Crawley Hospital, Crawley, West Sussex

141 Carbon monoxide: the invisible killer
J Horner, BSc, MSc, DIC, PhD, MRSH, MIBiol, Environmental Studies, Whitelands College, Roehampton Institute, West Hill, London SW15 3SN

146 Food consumption patterns in the United Arab Emirates
A O Musaiger, Bahrain Centre for Studies and Research, PO Box 496, Manama, State of Bahrain; N M Abuirmeileh, Department of Food Sciences and Nutrition, Faculty of Agricultural Sciences, United Arab Emirates University, Al-Ain, United Arab Emirates

151 Cigarette smoking and erectile dysfunction
J Y Jeremy, MSc, PhD, FRSH, Bristol Heart Institute, Bristol Royal Infirmary, University of Bristol, Bristol BS2 8HW; D P Mikhailidis, MD, BSc, MSc, FRCPath, FRSH, Reader and Honorary Consultant, Department of Chemical Pathology and Human Metabolism, Royal Free Hospital School of Medicine, Pond Street, London NW3 2QG

156 The effects of war on mental health
J L Dunlop, MA, MB, BCh, BAO, FRCPsych, DObst, RCOG, Consultant Psychiatrist, Mill View Court, Castle Hill Hospital, Castle Road, Cottingham HU16 5JQ

159 Rises in schoolchildren's anthropometry: what do they signify in developed and developing populations?
A R P Walker, DSC, HonFRSH; B F Walker, DiplDomSci; Human Biochemistry Research Unit, Department of Tropical Diseases, School of Pathology, University of the Witwatersrand and South African Institute for Medical Research, Johannesburg, South Africa

167 Promoting oral health in institutionalised older adults: a nursing perspective
H S Holmes, BSc(Hons), PhD, SRN, CMS, FRSH, Professor of Nursing, Canterbury Christ Church College, North Holmes Road, Canterbury, Kent CT1 1QU

173 Lessons to be learned: a case study approach – A case of temporal arteritis
A Chopdar, FRCS, FRCOphth, Consultant Ophthalmologist, East Surrey Hospital, Redhill, Surrey

176 Follow-up of sporadic cases of food-borne infection: comparison of a postal questionnaire with a personal visit
M J Devine, MB, MPH, MRCGP, MFPHM, Locum Consultant in Communicable Disease Control, Bury and Rochdale Health Authority; L Lighton, MB, ChB, MSc, MFPHM, Consultant in Communicable Disease Control, West Pennine Health Authority; V Johnson, MCIEH, Senior Environmental Health Officer, Oldham Metropolitan Borough Council

182 Historical perspectives on health – Aspects of public health up to Chadwick
J W T Dickerson, PhD, FIBiol, FIFST, HonFRSH, Emeritus Professor of Nutrition, Visiting Professor, South Bank University, 103 Borough Road, London SE1 0AA

206 Assessing Practice Nurses' change in nutrition knowledge following training from a Primary Care Dietitian
L Cadman, BSc(Hons), SRD, Primary Care Dietitian; A Findlay, BSc, SRD, Primary Care Dietitian; Nutrition and Dietetic Services, Dorset HealthCare NHS Trust, 11 Shelley Road, Boscombe, Bournemouth, Dorset BH1 4JQ

210 Smoking and urological disease
D P Mikhailidis, MD, BSc, MSc, FRCPath, FRSH; E S Ganotakis, MD, FRSH; J A Papadakis, MD, FRSH, Department of Chemical Pathology and Human Metabolism, Royal Free Hospital School of Medicine, Pond Street, London NW3 2QG; J Y Jeremy, MSc, PhD, FRSH, Bristol Heart Institute, Bristol Royal Infirmary, University of Bristol, Bristol BS2 8HW

213 Simulating hospital patient flows
B Lehaney, Principal Research Fellow in Business Systems; S Clarke, Senior Lecturer in Business Systems; H Kogetsidis, Lecturer in Business Systems; Luton Business School, University of Luton, Park Square, Luton, Bedfordshire LU1 3JU

217 Health promotion in a hospital ward: reality or asking the impossible?
A L Coakley, SRN, MA, Research Co-ordinator, Department of Nursing and Midwifery Studies, Canterbury Christ Church College, North Holmes Road, Canterbury, Kent CT1 1QU

224 Food, nutrition, anti-social behaviour and criminality
J W T Dickerson, PhD, FIBiol, FIFST, HonFRSH, Emeritus Professor of Nutrition, Visiting Professor, South Bank University, 103 Borough Road, London SE1 0AA

227 Painting collections in hospitals: humanity in medicine
A Everette James Jr., ScM, MD, Lecturer, The Johns Hopkins Medical Institutions and Advisor, Science and Technology to the Governor of North California, 200 Helmsdale; Chapel Hill, NC 27514, USA

231 Historical perspectives on health – Origins of blood analysis in clinical diagnosis
J Bolodeoku, MB, BS, MSc, DPhil, DipRCPath, MRCPath, Lecturer in Chemical Pathology, Department of Chemical Pathology and Human Metabolism, Royal Free Hospital School of Medicine, Pond Street, London NW3 2QG; A Olukoga, MB, BS, FWACP, MRCPath, Senior Registrar in Chemical Pathology, Department of Clinical Biochemistry, Hope Hospital, Salford, Manchester; D Donaldson, MB, ChB, MRCP, FRCPath, Consultant Chemical Pathologist, East Surrey Hospital, Redhill, Surrey and Crawley Hospital, Crawley, West Sussex

237 Lessons to be learned: a case study approach – Diuretic therapy and a laxative causing electrolyte and water imbalance, loss of attention, a fall and subsequent fractures of the tibia and fibula in an elderly lady
N Sai Sankar, MB, BS, FRCS (Glasgow), Trust Practitioner, Department of Trauma and Orthopaedic Surgery, Crawley Hospital, Crawley, West Sussex; D Donaldson, MB, ChB, MRCP, FRCPath, Consultant Chemical Pathologist, East Surrey Hospital, Redhill, Surrey and Crawley Hospital, Crawley, West Sussex

267 The influence of ispaghula husk on bowel habit
G J Davies, PhD, MSc, BEd, FRSH, Head of Nutrition Research Centre, South Bank University, 103 Borough Road, London SE1 0AA; P W Dettmar, PhD, CBiol, FIBiol, FRSH, Global R&D Category Director – Gastrointestinals and Technology Research, Reckitt & Colman Products, Dansom Lane, Hull HU8 7DS; R C Hoare, BSc, FIS, Consultant Statistician, 41 Grundale, Kirk Ella, Hull HU10 7LB

272 Incidence of reported cerebral concussion in adult taekwondo athletes
W Pieter, PhD, School of Health and Sports Science, University of North London, 166–220 Holloway Road, London N7 8DB; E D Zemper, PhD, Exercise Research Associates of Oregon (ExRA), Eugene, Oregon, USA

280 Pruritus in children
A K C Leung, MBBS, FRCP (Edin), FRCP (Glas), FRCP (Irel), FRCPC, FAAP, DCH (Lond), FRCP (Lond), DCH (Irel), FRSH, Clinical Associate Professor of Paediatrics, University of Calgary and Medical Director, Asian Medical Centre (affiliated with the University of Calgary Medical Centre); B E Wong, MD, FRCPC, Paediatric Consultant; P Y H Chan, MD, CCFP, Medical Staff; H Y H Cho, MD, CCFP, Medical Staff; Alberta Children's Hospital, 1820 Richmond Road SW, Calgary, Alberta, Canada T2T 5C7

289 Intracranial pressure monitoring by time domain analysis
R P Penson, MPhil, BTech(Hons), CEng, FIMechE, FIEE, Associate Professor, Head of Manufacturing Engineering, Systems Engineering Faculty, Southampton Institute, East Park Terrace, Southampton SO14 0YN; R Allen, PhD, BSc, CEng, FIMechE, FIEE, FIPEM, Senior Lecturer, Department of Mechanical Engineering, University of Southampton, University Road, Highfield, Southampton SO17 1BJ

295 Help with HACCP
D Worsfold, BSc, MSc, PhD, FRSH, Safe Food Systems, The Old Police Station, Hill Head, Llantwit Major, South Glamorgan CF61 1SF

300 Historical perspectives on health – The history of liquorice: the plant, its extract, cultivation, commercialisation and etymology
A Olukoga, MB, BS, FWACP, MRCPath, Senior Registrar in Chemical Pathology, Department of Clinical Biochemistry, Hope Hospital, Salford, Manchester; D Donaldson, MB, ChB, MRCP, FRCPath, Consultant Chemical Pathologist, East Surrey Hospital, Redhill, Surrey and Crawley Hospital, Crawley, West Sussex

305 Lessons to be learned: a case study approach – Mercury poisoning: an unusual case of alveolar deposition from swallowing metallic mercury in an attempt at self-poisoning
H J Southgate, BSc, MB, BS, MRCP, FRCPath, Consultant Chemical Pathologist, Department of Chemical Pathology, Worthing Hospital, Worthing, West Sussex; A Ward, MB, BS, Senior House Officer, Accident Department, St Thomas' Hospital, London; A Taylor, BSc, MSc, PhD, CChem, MRSC, FRCPath, Top Grade Biochemist, Department of Clinical Chemistry, Royal Surrey County Hospital, Guildford, Surrey; P Carr, MB, BS, MRCP, Consultant Physician, Department of Medicine, Worthing Hospital, Worthing, West Sussex

331 Initial assessment of children's ability to climb stair guarding
J E Riley, BA, Safety Scientist; M S Roys, BSc, MSc, Senior Safety Scientist; S M Cayless, PhD, BSc, DIC, CBiol, MIBiol, FRSH, Principal Safety Scientist; Healthy Building Centre, Building Research Establishment, Garston, Watford WD2 7JR

338 The management of diabetes at primary level in South Africa: the results of a facility-based assessment
A Beattie, PhD, c/o WHO, Avenida de Zimbabwe, Maputo, Mozambique; W J Kalk, MB, BCh, FRCP, Medical School, University of the Witwatersrand, 7 York Road, Parkstown, Johannesburg, 2193 South Africa; M Price, MB, BCh, BA, MSc, MMed; L Rispel, BSc, MSc, Dip Paed Nursing, PhD; J Broomberg, MB, BCh, BA, MSc, PhD; J Cabral, MB, BCh, MSc, c/o Centre for Health Policy, The Lister Building, SAIMR, Cnr Hospital and De Korte Streets, Hillbrow, Johannesburg, South Africa

346 Respiratory symptoms and lung function in garage workers and taxi drivers
A Bener, PhD, FRSS, IAATM; I Galadari, MD; J K Al-Mutawa, MBBS, MSc; F Al-Maskari, MBS; M Das, MD; Departments of Community Medicine and Medical Education, Faculty of Medicine and Health Sciences, United Arab Emirates University, PO Box 17666, Al-Ain, United Arab Emirates; M S O Abuzeid, MBBS, Head of Oudul Thoba PHC Clinic, Al-Ain Medical Health District, Ministry of Health, Al-Ain, United Arab Emirates

356 A smoking cessation counsellor: should every hospital have one?
B V Prathiba, MB, BS, MRCP; S Tjeder; I A Campbell, MD, FRCP; Chest Department, Llandough Hospital, Penarth, Nr. Cardiff, South Wales CF64 2XX; C Phillips, BSc(Econ), MSc(Econ), PhD, University of Wales, Swansea, Singleton Park, Swansea SA2 8PP

360 Ballet dancers – pregnancy outcomes
S Barry, BSc(Hons), RGN, RM, AFFP (RCOG), MRSH, The Walworth Road Surgery, 1 Manor Place, Southwark, London SE17 3BD

363 The social responsibilities of the physician
V W Sidel, MD, HonFRSH, Distinguished University Professor of Social Medicine, Montefiore Medical Centre, Albert Einstein College of Medicine, 111 East 210th Street, Bronx, NY 10467, USA

367 Historical perspectives on health – Semmelweis: a lesson to relearn?
I R Daniels, MB, FRCS, Specialist Surgical Registrar, Department of Surgery, St Richard's Hospital, Chichester, West Sussex

371 Lessons to be learned: a case study approach – Finger discoloration due to silver nitrate exposure: review of uses and toxicity of silver in clinical practice
N Sai Sankar, MB, BS, FRCS (Glasgow), Trust Practitioner, Orthopaedics Department, Crawley Hospital, Crawley, West Sussex; D Donaldson, MB, ChB, MRCP, FRCPath, Consultant Chemical Pathologist, East Surrey Hospital, Redhill, Surrey and Crawley Hospital, Crawley, West Sussex

RESEARCH and ARTICLES by SUBJECT and KEY WORDS

Adverse effects
– *Finger discoloration due to silver nitrate exposure: review of uses and toxicity of silver in clinical practice* 371

Aetiology
– *Pruritis in children* 280

Age
Food consumption patterns of adults in the United Arab Emirates 146

Agency
– *The Food Standards Agency: a force for change* 23

Agenda 21
– *Health promotion, environmental health and Agenda 21* 85

Air pollution
– *Carbon monoxide: the invisible killer* 141

Allergy
– *Food, nutrition, anti-social behaviour and criminality* 224

Anterior ischaemic optic neuropathy (AION)
– *A case of temporal arteritis* 173

Anthropometry
– *Rises in schoolchildren's anthropometry: what do they signify in developed and developing populations?* 159

Antibiotic resistance
– *Antiseptics: a forgotten weapon in the control of antibiotic-resistant bacteria in hospitals and community settings* 18

Antiseptics
– *Antiseptics: a forgotten weapon in the control of antibiotic resistant bacteria in hospitals and community settings* 18

Anti-social behaviour
– *Food, nutrition, anti-social behaviour and criminality* 224

Anxiety
– *Some people's psychological experience of attending a sexual health clinic and having a sexually transmitted infection* 94

Areflexia
– *Primary hyperparathyroidism simulating an acute severe polyneuritis* 103

Argyria
– *Finger discoloration due to silver nitrate exposure: review of uses and toxicity of silver in clinical practice* 371

Arts and medicine
– *Painting collections in hospitals: humanity in medicine* 227

Arteritis
– *A case of temporal arteritis* 173

Aspirin
– *Secondary prevention of stroke – an update* 15

Athletes
– *Incidence of reported cerebral concussion in adult taekwondo athletes* 272

Attention deficiency
– *Food, nutrition, anti-social behaviour and criminality* 224

Ballet dancers
– *Ballet dancers: pregnancy outcomes* 360

Bias
– *Taking the threat out of threatening questions* 10

Bile acids
– *Bile acids, fibre and colon cancer: the story unfolds* 53

Biochemical procedures
– *Origins of blood analysis in clinical diagnosis* 231

Biochemistry
– *A historical approach to study of the function and dysfunction of the thyroid gland realised?* 116

Bipolar affective disorder (hypomanic type)
– *Decreasing requirement for lithium carbonate therapy in bipolar affective disorder (hypomanic type) following the onset of chronic renal insufficiency* 35

Blindness
– *A case of temporal arteritis* 173

Blood analysis
– *Origins of blood analysis in clinical diagnosis* 231

Body Mass Index (BMI)
– *Rises in schoolchildren's anthropometry: what do they signify in developed and developing populations?* 159

Bowel habit
– *The influence of ispaghula husk on bowel habit* 267

Building Regulations
– *Initial assessment of children's ability to climb stair guiding* 331

Carbon monoxide
– *Carbon monoxide: the invisible killer* 141

Cardiovascular risk
– *Smoking, diabetes and hyperlipidaemia* 91

Catering
– *Help with HACCP* 295

Cerebral concussion
– *Incidence of reported cerebral concussion in adult taekwondo athletes* 272

Chadwick
– *Aspects of public health up to Chadwick* 183

Change
– *The Food Standards Agency: a force for change* 23

Chemical pathology
– *Origins of blood analysis in clinical diagnosis* 231

Children
– *Pruritis in children* 280
– *Initial assessment of children's ability to climb stair guiding* 331

Chronic and acute symptoms
– *The management of diabetes at primary level in South Africa: the results of a facility-based assessment* 338

Climbing
– *Initial assessment of children's ability to climb stair guiding* 331

Clinical diagnosis
– *Origins of blood analysis in clinical diagnosis* 231

Clinical diagnosis
– *Pruritis in children* 280

Colorectal cancer
– *Bile acids, fibre and colon cancer: the story unfolds* 53

Commercialisation
– *The history of liquorice: the plant, its extract, cultivation, commercialisation and etymology* 300

Community
– *Antiseptics: a forgotten weapon in the control of antibiotic-resistant bacteria in hospitals and community settings* 18

Community care
– *Community care: fractured frames and managerial focus* 49

Concussion
– *Incidence of reported cerebral concussion in adult taekwondo athletes* 272

Confidence
– *Assessing Practice Nurses' change in nutrition knowledge following training from a Primary Care Dietitian* 206

Confusion
– *Diuretic therapy and a laxative causing electrolyte and water imbalance, loss of attention, a fall and subsequent fracture of the tibia and fibula in an elderly lady* 237

Cost-effectiveness
– *A smoking cessation counsellor: should every hospital have one?* 356

Counsellor
– *A smoking cessation counsellor: should every hospital have one?* 356

Criminality
– *Food, nutrition, anti-social behaviour and criminality* 224

Cross-correlation
– *Intereranial pressure monitoring by time domain analysis* 289

Curative
– *Aspects of public health up to Chadwick* 183

Dental caries
– *Changes in the numbers of dentists and dental caries levels in 12-year-olds in the countries of the European Union and economic area* 40

Dental workforce planning
– *Changes in the numbers of dentists and dental caries levels in 12-year-olds in the*

countries of the European Union and economic area 40

Dentists
- *Changes in the numbers of dentists and dental caries levels in 12-year-olds in the countries of the European Union and economic area* 40

Developing countries
- *The growing influence of Non-Governmental Organisations (NGOs) in international health: challenges and opportunities* 107
- *The management of diabetes at primary level in South Africa: the results of a facility-based assessment* 338

Diabetes
- *Smoking, diabetes and hyperlipidaemia* 91
- *The management of diabetes at primary level in South Africa: the results of a facility-based assessment* 338

Diet
- *Ballet dancers: pregnancy outcomes* 360

Dietary fibre
- *Bile acids, fibre and colon cancer: the story unfolds* 53

Dietitian
- *Assessing Practice Nurses' change in nutrition knowledge following training from a Primary Care Dietitian* 206

Diplopia
- *Primary hyperparathyroidism simulating an acute severe polyneuritis* 103

Dipyrimadole
- *Secondary prevention of stroke – an update* 15

Disruptive behaviour
- *Food, nutrition, anti-social behaviour and criminality* 224

Diuretic therapy
- *Diuretic therapy and a laxative causing electrolyte and water imbalance, loss of attention, a fall and subsequent fracture of the tibia and fibula in an elderly lady* 237

Donor nations
- *The growing influence of Non-Governmental Organisations (NGOs) in international health: challenges and opportunities* 107

Dosage reduction
- *Decreasing requirement for lithium carbonate therapy in bipolar affective disorder (hypomanic type) following the onset of chronic renal insufficiency* 35

Drug addiction
- *An unusual case of alveolar deposition from swallowing metallic mercury in an attempt at self-poisoning* 305

Education
- *Food consumption patterns of adults in the United Arab Emirates* 146

Elderly
- *Diuretic therapy and a laxative causing electrolyte and water imbalance, loss of attention, a fall and subsequent fracture of the tibia and fibula in an elderly lady* 237

Elemental mercury
- *An unusual case of alveolar deposition from swallowing metallic mercury in an attempt at self-poisoning* 305

Environmental health
- *Follow-up of sporadic cases of food-borne infection: comparison of a postal questionnaire with a personal visit* 176
- *Health promotion, environmental health and Agenda 21* 85

Epidemiology
- *Cigarette smoking and erectile dysfunction* 151

Erectile dysfunction
- *Cigarette smoking and erectile dysfunction* 151
- *Smoking and urological disease* 210

ESR elevation
- *A case of temporal arteritis* 173

Etymology
- *The history of liquorice: the plant, its extract, cultivation, commercialisation and etymology* 300

European Union
- *Changes in the numbers of dentists and dental caries levels in 12-year-olds in the countries of the European Union and economic area* 40

Exercise
- *Ballet dancers: pregnancy outcomes* 360

Ex-service
- *The effects of war on metal health* 156

Faecal form
- *The influence of ispaghula husk on bowel habit* 267

Finger discoloration
- *Finger discoloration due to silver nitrate exposure: review of uses and toxicity of silver in clinical practice* 371

Food
- *Follow-up of sporadic cases of food-borne infection: comparison of a postal questionnaire with a personal visit* 176
- *Food consumption patterns of adults in the United Arab Emirates* 146
- *Food, nutrition, anti-social behaviour and criminality* 224
- *The Food Standards Agency: a force for change* 23

Food-borne
- *Follow-up of sporadic cases of food-borne infection: comparison of a postal questionnaire with a personal visit* 176

Food hygiene
- *Help with HACCP* 295

Foreign aid
- *The growing influence of Non-Governmental Organisations (NGOs) in international health: challenges and opportunities* 107

Fractured tibia/fibula
- *Diuretic therapy and a laxative causing electrolyte and water imbalance, loss of attention, a fall and subsequent fracture of the tibia and fibula in an elderly lady* 237

Garage workers
- *The management of diabetes at primary level in South Africa: the results of a facility-based assessment* 338

Gas heating
- *Carbon monoxide: the invisible killer* 141

Giant-cell arteritis
- *A case of temporal arteritis* 173

Glycyrrhizinic acid
- *The history of liquorice: the plant, its extract, cultivation, commercialisation and etymology* 300

Growth
- *Rises in schoolchildren's anthropometry: what do they signify in developed and developing populations?* 159

Gut
- *An unusual case of alveolar deposition from swallowing metallic mercury in an attempt at self-poisoning* 305

Gut flora
- *Bile acids, fibre and colon cancer – the story unfolds* 53

Handwashing
- *Semmelweis: a lesson to relearn?* 367

Hazard Analysis Critical Control Point (HACCP)
- *Help with HACCP* 295

Health
- *The growing influence of Non-Governmental Organisations (NGOs) in international health: challenges and opportunities* 107

Health promotion
- *Health promotion, environmental health and Agenda 21* 85
- *Health promotion in a hospital ward: reality or asking the impossible?* 217

Height
- *Rises in schoolchildren's anthropometry: what do they signify in developed and developing populations?* 159

Historical aspects
- *Origins of blood analysis in clinical diagnosis* 231

Historical dates
- *A historical approach to study of the function and dysfunction of the thyroid gland realised?* 116

HIV (Human Immunodeficiency Virus)
- *Some people's psychological experience of attending a sexual health clinic and having a sexually transmitted infection* 94

Home
- *Initial assessment of children's ability to climb stair guiding* 331

Hospital
– *A smoking cessation counsellor: should every hospital have one?* 356
– *Antiseptics: a forgotten weapon in the control of antibiotic resistant bacteria in hospitals and community settings* 18
– *Health promotion in a hospital ward: reality or asking the impossible?* 217
– *Painting collections in hospitals: humanity in medicine* 227
– *Simulating hospital patient flows* 103
Hospital acquired infections
– *Antiseptics: a forgotten weapon in the control of antibiotic-resistant bacteria in hospitals and community settings* 18
Hospital patient flows
– *Simulating hospital patient flows* 103
Hospital patients
– *A smoking cessation counsellor: should every hospital have one?* 356
Hospital ward environment
– *Health promotion in a hospital ward: reality or asking the impossible?* 217
Hypercalcaemia
– *Primary hyperparathyroidism simulating an acute severe polyneuritis* 103
Hyperkinesis
– *Food, nutrition, anti-social behaviour and criminality* 224
Hyperlipidaemia
– *Smoking, diabetes and hyperlipidaemia* 91
Industrialisation
– *Aspects of public health up to Chadwick* 183
Infection control
– *Antiseptics: a forgotten weapon in the control of antibiotic-resistant bacteria in hospitals and community settings* 18
– *Semmelweis: a lesson to relearn?* 367
Injury
– *Incidence of reported cerebral concussion in adult taekwondo athletes* 272
Insulin resistance
– *Smoking, diabetes and hyperlipidaemia* 91
Intercranial pressure
– *Intercranial pressure monitoring by time domain analysis* 289
International health
– *The growing influence of Non-Governmental Organisations (NGOs) in international health: challenges and opportunities* 107
Isolation
– *Some people's psychological experience of attending a sexual health clinic and having a sexually transmitted infection* 94
Ispaghula husk
– *The influence of ispaghula husk on bowel habit* 267
Itchiness
– *Pruritis in children* 280
Labour
– *Ballet dancers: pregnancy outcomes* 360
Laxative medication
– *Diuretic therapy and a laxative causing electrolyte and water imbalance, loss of attention, a fall and subsequent fracture of the tibia and fibula in an elderly lady* 237
Liquorice
– *The history of liquorice: the plant, its extract, cultivation, commercialisation and etymology* 300
Lithium therapy
– *Decreasing requirement for lithium carbonate therapy in bipolar affective disorder (hypomanic type) following the onset of chronic renal insufficiency* 35
Lithium toxicity
– *Decreasing requirement for lithium carbonate therapy in bipolar affective disorder (hypomanic type) following the onset of chronic renal insufficiency* 35
Local authority
– *Follow-up of sporadic cases of food-borne infection: comparison of a postal questionnaire with a personal visit* 176
Lungs
– *An unusual case of alveolar deposition from swallowing metallic mercury in an attempt at self-poisoning* 305
– *Respiratory symptoms and lung function in garage workers and taxi drivers* 346
Managerial frames
– *Community care: fractured frames and managerial focus* 49
Maternal death
– *Semmelweis: a lesson to relearn?* 367
Measurement
– *Intercranial pressure monitoring by time domain analysis* 289
Medical education
– *The social responsibilities of the physician* 363
Medical ethics
– *The social responsibilities of the physician* 363
Medical students
– *The social responsibilities of the physician* 363
Mercury poisoning
– *An unusual case of alveolar deposition from swallowing metallic mercury in an attempt at self-poisoning* 305
Motor vehicles
– *Carbon monoxide: the invisible killer* 141
Mortality
– *Burden of illness review of obesity: are the true costs realised?* 76
Non-Governmental Organisations (NGOs)
– *The growing influence of Non-Governmental Organisations (NGOs) in international health: challenges and opportunities* 107
Non-invasive
– *Intercranial pressure monitoring by time domain analysis* 289
Nursing
– *Assessing Practice Nurses' change in nutrition knowledge following training from a Primary Care Dietitian* 206

Poverty
– *Aspects of public health up to Chadwick* 183

Practice Nurses
– *Assessing Practice Nurses' change in nutrition knowledge following training from a Primary Care Dietitian* 206
Pregnancy
– *Ballet dancers: pregnancy outcomes* 360
Preventative
– *Aspects of public health up to Chadwick* 183
Primary health care
– *The management of diabetes at primary level in South Africa: the results of a facility-based assessment* 338
Primary hyperparathyroidism
– *Primary hyperparathyroidism simulating an acute severe polyneuritis* 103
Prostatic cancer
– *Smoking and urological disease* 210
Pruritis
– *Pruritis in children* 280
Psychological costs
– *Burden of illness review of obesity: are the true costs realised?* 76
Public health
– *Health promotion, environmental health and Agenda 21* 85
– *Aspects of public health up to Chadwick* 183
Public Health Service (USA)
– *Pharmacy involvement in emergency preparedness/response* 28
Puerperal fever
– *Semmelweis: a lesson to relearn?* 367
Quality assessment
– *The management of diabetes at primary level in South Africa: the results of a facility-based assessment* 338
Questionnaire(s)
– *Follow-up of sporadic cases of food-borne infection: comparison of a postal questionnaire with a personal visit* 176
– *Taking the threat out of threatening questions* 10
Renal cancer
– *Smoking and urological disease* 210
Renal insufficiency
– *Decreasing requirement for lithium carbonate therapy in bipolar affective disorder (hypomanic type) following the onset of chronic renal insufficiency* 35
Research
– *Taking the threat out of threatening questions* 10
Residential homes
– *Help with HACCP* 295
Resources
– *Community care: fractured frames and managerial focus* 49
Responsibilities
– *The social responsibilities of the physician* 363
Schoolchildren
– *Rises in schoolchildren's anthropometry: what do they signify in developed and developing populations?* 159
Secondary prevention
– *Secondary prevention of stroke – an update* 15
Semmelweis
– *Semmelweis: a lesson to relearn?* 367
Serum C-reactive protein (CRP) elevation
– *A case of temporal arteritis* 173
Sex
– *Food consumption patterns of adults in the United Arab Emirates* 146
Sexual health
– *Some people's psychological experience of attending a sexual health clinic and having a sexually transmitted infection* 94
Sexually-transmitted infection
– *Some people's psychological experience of attending a sexual health clinic and having a sexually-transmitted infection* 94
Silver
– *Finger discoloration due to silver nitrate exposure: review of uses and toxicity of silver in clinical practice* 371
Silver nitrate
– *Finger discoloration due to silver nitrate exposure: review of uses and toxicity of silver in clinical practice* 371
Simulation modelling
– *Simulating hospital patient flows* 213
Smoking
– *A smoking cessation counsellor: should every hospital have one?* 356
– *Cigarette smoking and erectile dysfunction* 151
– *Smoking, diabetes and hyperlipidaemia* 91
– *Smoking and urological disease* 210
Smoking cessation
– *A smoking cessation counsellor: should every hospital have one?* 356
Social desirability
– *Taking the threat out of threatening questions* 10
Social medicine
– *The social responsibilities of the physician* 363
Socio-economic costs
– *Burden of illness review of obesity: are the true costs realised?* 76
South Africa
– *The management of diabetes at primary level in South Africa: the results of a facility-based assessment* 338
Sperm motility and count
– *Smoking and urological disease* 210
Stair guiding
– *Initial assessment of children's ability to climb stair guiding* 331
Standards
– *The Food Standards Agency: a force for change* 23
State
– *Aspects of public health up to Chadwick* 183
Stigma
– *Some people's psychological experience of attending a sexual health clinic and having a sexually transmitted infection* 94
Stool frequency
– *The influence of ispaghula husk on bowel habit* 267
Straining and urgency of defaecation
– *The influence of ispaghula husk on bowel habit* 267
Strategy
– *Community care: fractured frames and managerial focus* 49
Stress
– *The effects of war on metal health* 156
Stroke
– *Secondary prevention of stroke – an update* 15
Structured programme
– *A smoking cessation counsellor: should every hospital have one?* 356
Surveys (social and health)
– *Taking the threat out of threatening questions* 10
Sustainable development
– *Health promotion, environmental health and Agenda 21* 85
Taekwondo
– *Incidence of reported cerebral concussion in adult taekwondo athletes* 272
Taxi drivers
– *The management of diabetes at primary level in South Africa: the results of a facility-based assessment* 338
Thyroid gland
– *A historical approach to study of the function and dysfunction of the thyroid gland realised?* 116
Time domain
– *Intercranial pressure monitoring by time domain analysis* 289
Training
– *Assessing Practice Nurses' change in nutrition knowledge following training from a Primary Care Dietitian* 206
– *Help with HACCP* 295
– *Pharmacy involvement in emergency preparedness/response* 28
Transient ischaemic attack (TIA)
– *Secondary prevention of stroke – an update* 15

Treatment
– *Cigarette smoking and erectile dysfunction* 151
– *Pruritis in children* 280
Truancy
– *Food, nutrition, anti-social behaviour and criminality* 224
United Arab Emirates
– *Food consumption patterns of adults in the United Arab Emirates* 146

– *The social responsibilities of the physician* 363

CURRENT TOPICS (formerly NEWS AND VIEWS)

5 The latest on irritable bowel syndrome*
Allan Shaw, BSc(Hons), FRSH, School of Applied Science, South Bank University, 103 Borough Road, London SE1 0AA

5 Leprosy: a public health challenge*
Bashir Qureshi, FRCGP, DCH, MFFP-RCOG, AFOM-RCP, MICGP, FRIPHH, HonMAPHA, HonFRSH, 32 Legrace Avenue, Hounslow West, Middlesex TW4 7RS

6 New vaccines: new hopes in health promotion and disease prevention*
Bashir Qureshi, FRCGP, DCH, MFFP-RCOG, AFOM-RCP, MICGP, FRIPHH, HonMAPHA, HonFRSH, 32 Legrace Avenue, Hounslow West, Middlesex TW4 7RS

7 Drugs and the elderly*
D Donaldson, MB, ChB, MRCP, FRCPath, Consultant Chemical Pathologist, East Surrey Hospital, Redhill, Surrey and Crawley Hospital, Crawley, West Sussex

7 Periodontal infections and heart disease*
A J Hawkes, BDS, MSc, LDS, DDPH, RCS, AIHE, FRSH, Staff Officer to the Chief Dental Officer, Department of Health, Department of Health, Richmond House, 79 Whitehall, London SW1A 2NS

7 Back to basics: mosquitoes*
D Donaldson, MB, ChB, MRCP, FRCPath, Consultant Chemical Pathologist, East Surrey Hospital, Redhill, Surrey and Crawley Hospital, Crawley, West Sussex

9 Diagnostic symptoms and their causes: thirst*
D Donaldson, MB, ChB, MRCP, FRCPath, Consultant Chemical Pathologist, East Surrey Hospital, Redhill, Surrey and Crawley Hospital, Crawley, West Sussex

39 Complementary therapy and diabetes mellitus*
Allan Shaw, BSc(Hons), FRSH, School of Applied Science, South Bank University, 103 Borough Road, London SE1 0AA

73 To clone or not to clone – the debate continues
Bashir Qureshi, FRCGP, DCH, MFFP-RCOG, AFOM-RCP, MICGP, FRIPHH, HonMAPHA, HonFRSH, 32 Legrace Avenue, Hounslow West, Middlesex TW4 7RS

73 Reform of legislation covering deliberate transmission of infectious diseases
Allan Shaw, BSc(Hons), FRSH, School of Applied Science, South Bank University, 103 Borough Road, London SE1 0AA

74 Ascorbic acid (Vitamin C) deficiency
D Donaldson, MB, ChB, MRCP, FRCPath, Consultant Chemical Pathologist, East Surrey Hospital, Redhill, Surrey and Crawley Hospital, Crawley, West Sussex

75 Alcohol consumption worldwide and the relationship with cancer
D Donaldson, MB, ChB, MRCP, FRCPath, Consultant Chemical Pathologist, East Surrey Hospital, Redhill, Surrey and Crawley Hospital, Crawley, West Sussex

75 Albumin: what influences its level in the blood?
D Donaldson, MB, ChB, MRCP, FRCPath, Consultant Chemical Pathologist, East Surrey Hospital, Redhill, Surrey and Crawley Hospital, Crawley, West Sussex

84 Mobile telephone health risk to be investigated
Allan Shaw, BSc(Hons), FRSH, School of Applied Science, South Bank University, 103 Borough Road, London SE1 0AA

96 Beware of doctors' and nurses' pens
Bashir Qureshi, FRCGP, DCH, MFFP-RCOG, AFOM-RCP, MICGP, FRIPHH, HonMAPHA, HonFRSH, 32 Legrace Avenue, Hounslow West, Middlesex TW4 7RS

137 Fluid and electrolyte balance: idiopathic SIADH in the elderly
D Donaldson, MB, ChB, MRCP, FRCPath, Consultant Chemical Pathologist, East Surrey Hospital, Redhill, Surrey and Crawley Hospital, Crawley, West Sussex

138 Addison's disease: an unusual presentation with unexpected cause
D Donaldson, MB, ChB, MRCP, FRCPath, Consultant Chemical Pathologist, East Surrey Hospital, Redhill, Surrey and Crawley Hospital, Crawley, West Sussex

139 Our Healthier Nation
Allan Shaw, BSc(Hons), FRSH, School of Applied Science, South Bank University, 103 Borough Road, London SE1 0AA

145 New developments in respiratory medicine
Bashir Qureshi, FRCGP, DCH, MFFP-RCOG, AFOM-RCP, MICGP, FRIPHH, HonMAPHA, HonFRSH, 32 Legrace Avenue, Hounslow West, Middlesex TW4 7RS

158 First oral drug for impotence approved in the USA
Bashir Qureshi, FRCGP, DCH, MFFP-RCOG, AFOM-RCP, MICGP, FRIPHH, HonMAPHA, HonFRSH, 32 Legrace Avenue, Hounslow West, Middlesex TW4 7RS

175 Coronary artery disease: the influence of serum testosterone and oestrogen levels
D Donaldson, MB, ChB, MRCP, FRCPath, Consultant Chemical Pathologist, East Surrey Hospital, Redhill, Surrey and Crawley Hospital, Crawley, West Sussex

201 Hormonal treatments – the 'pill' and hormone replacement therapy (HRT)
J W T Dickerson, PhD, FIBiol, FIFST, HonFRSH, Visiting Professor of Nutrition, Nutrition Research Centre, South Bank University, London SE1 0AA

201 The child with a limp: what is it and what do we do?
N Sai Sankar, MB, BS, FRCS (Glasgow), Trust Practitioner, Department of Trauma and Orthopaedic Surgery, Crawley Hospital, Crawley, West Sussex

202 Neuroregulators: what are they and what do they do?
D Donaldson, MB, ChB, MRCP, FRCPath, Consultant Chemical Pathologist, East Surrey Hospital, Redhill, Surrey and Crawley Hospital, Crawley, West Sussex

203 Neurotransmitters in health and disease: what happens if they go wrong?
D Donaldson, MB, ChB, MRCP, FRCPath, Consultant Chemical Pathologist, East Surrey Hospital, Redhill, Surrey and Crawley Hospital, Crawley, West Sussex

204 Mental health resources on the Internet: facilitating the first-level filter
Allan Shaw, BSc(Hons), FRSH, School of Applied Science, South Bank University, 103 Borough Road, London SE1 0AA

204 Medical implications of controlled fasting
J W T Dickerson, PhD, FIBiol, FIFST, HonFRSH, Visiting Professor of Nutrition, Nutrition Research Centre, South Bank University, London SE1 0AA

205 Cystic fibrosis
Bashir Qureshi, FRCGP, DCH, MFFP-RCOG, AFOM-RCP, MICGP, FRIPHH, HonMAPHA, HonFRSH, 32 Legrace Avenue, Hounslow West, Middlesex TW4 7RS

205 Measles, mumps, rubella (MMR) immunisation uptake
Bashir Qureshi, FRCGP, DCH, MFFP-RCOG, AFOM-RCP, MICGP, FRIPHH, HonMAPHA, HonFRSH, 32 Legrace Avenue, Hounslow West, Middlesex TW4 7RS

261 Alcohols in nature, with emphasis on biochemical events that follow ingestion of ethyl alcohol in particular
D Donaldson, MB, ChB, MRCP, FRCPath, Consultant Chemical Pathologist, East Surrey Hospital, Redhill, Surrey and Crawley Hospital, Crawley, West Sussex

261 Exercise and blood pressure in adolescent girls
J W T Dickerson, PhD, FIBiol, FIFST, HonFRSH, Visiting Professor of Nutrition, Nutrition Research Centre, South Bank University, London SE1 0AA

262 Ministry of Agriculture, Fisheries and Food proposes new rules for food contact plastics
Allan Shaw, BSc(Hons), FRSH, School of Applied Science, South Bank University, 103 Borough Road, London SE1 0AA

263 Calcium: what influences its level in the blood?
D Donaldson, MB, ChB, MRCP, FRCPath, Consultant Chemical Pathologist, East Surrey Hospital, Redhill, Surrey and Crawley Hospital, Crawley, West Sussex

263 Teenage smoking, attempts to give up and school performance
J W T Dickerson, PhD, FIBiol, FIFST, HonFRSH, Visiting Professor of Nutrition, Nutrition Research Centre, South Bank University, London SE1 0AA

264 Key health statistics from primary health care
Allan Shaw, BSc(Hons), FRSH, School of Applied Science, South Bank University, 103 Borough Road, London SE1 0AA

264 A brief prolegomenon on psychological stress
H L Silverman, PhD, ScD, FRSH, Distinguished Practitioner in Psychology, 123 Gregory Avenue, West Orange, NJ 07052, USA

265 Young infants and environmental tobacco smoke
J W T Dickerson, PhD, FIBiol, FIFST, HonFRSH, Visiting Professor of Nutrition, Nutrition Research Centre, South Bank University, London SE1 0AA

265 Women's health news
Bashir Qureshi, FRCGP, DCH, MFFP-RCOG, AFOM-RCP, MICGP, FRIPHH, HonMAPHA, HonFRSH, 32 Legrace Avenue, Hounslow West, Middlesex TW4 7RS

325 Atopy in children and parental social class
J W T Dickerson, PhD, FIBiol, FIFST, HonFRSH, Visiting Professor of Nutrition, Nutrition Research Centre, South Bank University, London SE1 0AA

325 Cancer now a greater risk than coronary heart disease
Allan Shaw, BSc(Hons), FRSH, School of Applied Science, South Bank University, 103 Borough Road, London SE1 0AA

326 Life expectancy falling in Europe
D Donaldson, MB, ChB, MRCP, FRCPath, Consultant Chemical Pathologist, East Surrey Hospital, Redhill, Surrey and Crawley Hospital, Crawley, West Sussex

327 Ministry of Agriculture Fisheries and Food (MAFF) food sample surveillance programme
Allan Shaw, BSc(Hons), FRSH, School of Applied Science, South Bank University, 103 Borough Road, London SE1 0AA

329 Access to complementary medicine
J W T Dickerson, PhD, FIBiol, FIFST, HonFRSH, Visiting Professor of Nutrition, Nutrition Research Centre, South Bank University, London SE1 0AA

329 Oral contraceptives and health
Bashir Qureshi, FRCGP, DCH, MFFP-RCOG, AFOM-RCP, MICGP, FRIPHH, HonMAPHA, HonFRSH, 32 Legrace Avenue, Hounslow West, Middlesex TW4 7RS

329 All Party Parliamentary Group on Skin (APPGS) report on skin report on training for healthcare professionals
C L Packham, FInstSMM, MRSH, MIMgt, MIIRSM, MBICSc, Enviroderm Services, 2 Amery Lodge Farm, North Littleton, Evesham, Worcestershire WR11 5QN

330 Oral and dental side-effects of drugs
Bashir Qureshi, FRCGP, DCH, MFFP-RCOG, AFOM-RCP, MICGP, FRIPHH, HonMAPHA, HonFRSH, 32 Legrace Avenue, Hounslow West, Middlesex TW4 7RS

330 Don't leave the old in the cold
Bashir Qureshi, FRCGP, DCH, MFFP-RCOG, AFOM-RCP, MICGP, FRIPHH, HonMAPHA, HonFRSH, 32 Legrace Avenue, Hounslow West, Middlesex TW4 7RS
